Orinda Joins Battle Against Poker Clubs

If Weather Man Controls Rain, Orinda Can Expect Relief From Rough Roads

Residents of Sleepy Hollow and the area back of Lake Cascade this week began to see reason for hope that, if the Weather Man is kind, those torn-up roads will be nice and smooth in a few weeks.

For months now, roads in Sleepy Hollow (Local Improvement District 22) and in the Lake Cascade area (L.I.D. 23) have resembled a no-man's-land, what with sewer installation work being performed by the Charles Burch company of El Monte for the Central Contra Costa Sanitary District.

There have even been reports that residents were so isolated that no mail or milk could be delivered. Regarding this, Acting Manager-Engineer Victor Sauer of the Sanitary District said yesterday:

"I've been informed that the mailmen have delivered mail every day. As for milk, it's true that some of the roads were pretty well torn up, but there have been instances where workmen would transport the milkman to and from a residence on a pickup."

"ANYWAY," HE ADDED hopefully, "with two or three weeks of good weather, all the sewer pipes should be installed in both L.I.D. 22 and L.I.D. 23, and all the roads should be surfaced, smoothed and paved."

Residents of the Sleepy Hollow Improvement Association received a letter last Saturday from President Joseph D. DeCosta, stating:

"The latest information from the Sanitary District is that the installation of sewers in our district, L.I.D. 22, and the acceptance of the completed contract by the Sanitary District will be accomplished in late November or early December of this year."

ADMITTING THAT the situation has inconvenienced people, Sauer expresesd appreciation for the people's patience. He said that in an effort "to beat the rainy season" four separate crews are installing sewer lines in the two L.I.D.'s, and, in addition, one crew is doing paving and another is doing cleanup work.

He said that L.I.D. -- is practically completed, so far as sewer installation is concerned. The big job remaining there is to clean up the "mess."

"We're ahead of schedule in L.I.D. 23," he said.

"If possible, we want to have all the streets in L.I.D.'s 22 and 23 paved before the heavy rains."

Sauer said that work on getting Camino Don Miguel in shape started yesterday afternoon. This should be finished by today, he added.

"Then they'll start on La Espiral and Las Vegas," he continued, "and then they'll go back along Miner Road.

"Then the paving in the Sleepy Hollow area will be done.

"Camino Sobrante is presently torn up."

Sauer said that rock, oil and surfacing are being placed at various locations at the same time in the race against rain.

"AFTER THE FIRST 'rough cleanup,' before actual paving, a few minutes' rain can make quite a mess," he stated.

The manager-engineer estimated that work on La Espiral should be finished by next Monday or Tuesday.

"Ever since both jobs started, there's been a lot of confusion," he went on. "But the contractor doesn't keep any roads closed at night. He can, however, close them between 8 a.m. and 5 p.m."

A slight plea entered Sauer's tone of voice. "If you have any influence with the Weather Man, ask him to hold off the rains for another month," he suggested.

THE LETTER TO Sleepy Hollowans from De Costa pointed out:

"The sewers are not available to receive sewage until the completed contract is accepted, and, since the county does not propose any extensive road repair until the sewers are in operation with house laterals connected to the sewers, there appears to be no advantage, economic or otherwise, in doing part of the job now and the remainder at a later date.

"This is especially true when competitive bidding is not permitted until the sewers are accepted by the Sanitary District.

"It is required that connections from your property line to the street sewers be made only by a licensed contractor. In order that you may have your house sewer connected at the lowest possible cost, your Board of Directors recommends that as neighborhood groups, either large or small, you obtain bids from at least two contractors."

Henry W. Arnold, Wife Instantly Killed in Crash

Mr. and Mrs. Henry W. Arnold of 10 El Sueno were instantly killed last Saturday when a 20-ton cement mixer truck crashed head-on into their coupe on the Danville Highway in Alamo.

Arnold, 69, and his wife, Clara, 64, had left the Orinda home where they lived with their son-in-law and daughter, Mr. and Mrs. William M. Fleager, for San Ramon. Arnold was a contractor and real estate broker.

The truck driver, Kenneth M. Faulkner, 31, of Concord, told highway patrolmen he had been traveling north but had swung onto the oncoming lane of traffic in order to avoid hitting another truck in front of him. The huge truck smashed into the light car, its bumper resting against the windshield of the car. Arnold's body was pinned beneath the steering wheel.

Faulkner, charged with manslaughter, was arraigned yesterday before Judge Clifford L. Thomson in Walnut Creek. Preliminary hearing date was to be set later.

About 20 minutes after the fatal crash, Fleager, driving on the same road and bound for Diablo, came upon the tragic scene.

The bodies were taken to the Little Chapel of the Flowers in Walnut Creek. Services were held Tuesday afternoon at the Gothic Chapel at Mt. View Cemetery in Oakland, with private inurnment following.

Youth Recovering From Polio Attack

Robin Muse, 13½-year-old son and only child of Mr. and Mrs. R. B. Muse of 8 Camino Encinas, was stricken with polio September 12 and is now in the Children's Hospital, San Francisco.

Wednesday his quarantine period was up and then, thanks to two quarts of plasma administered earlier, he had no fever and was sent downstairs to the convalescent ward where a busy program of therapy, handcrafts, and television and radio entertainment will make the time pass. The nurses report to Mrs. Muse that Robin is very cooperative and stoical throughout the necessarily painful manipulations for his paralyzed legs.

Robin is a sophomore at Acalanes. It was there about 11:20 that Robin phoned his mother that his legs ached and that they felt as though full of buck shot but not to come for him until noon as he wanted to go to his English class.

Mrs. Muse took him immediately to Dr. Caygill who recognized the symptoms as those of polio and made arrangements for him to be received at the Children's Hospital where he walked in. The paralysis developed the next day.

Glorietta Group Party Tomorrow

Third annual get-together of the Glorietta Improvement Association will be held tomorrow night at the Seven Oaks Circle home of the Ted M. Harrers.

Cocktails will be served at 7, followed by a buffet supper arranged by the Hostesses' Committee, under chairmanship of Mrs. Ray L. Messersmith. A topnotch band will play for dancing until 11. Swimming, tennis and bowling will be available.

Pack 32 Rolls Up Its Sleeves

Den mothers future den mothers, assistant den mothers and officers of Pack 32 will gather at the Piedmont Avenue home of John Ogden, the new cubmaster, on Monday night at 8 o'clock.

Speaker of the evening will be Gordon Hawkins, scout representative. He will speak on "Purposes and Aims of Cubbing." There will be an informal discussion.

Pack 32 will meet next Friday, October 5, 7:30 p. m., at Orinda Grammar School, and continue to meet the first Friday of each month throughout the school year.

DONS and DONNAS!

Each Week We Present Two Acalanes Columns Written Exclusively for the Sun. Read:

'Hi Lites on Hi Life'
and
'Chit and Chat about Don and Donna'

FIESTA OF FASHIONS is the name of the colorful luncheon-fashion show to be put on tomorrow at St. Mary's College by the Orinda Catholic Women's Club. This scene shows three of the women and a youngster getting into the spirit of the occasion — and it's just a sample of the atmosphere that will prevail. Left to right are Mrs. John Boyen, little Linda Boyen, Mrs. Robert Raskob and Mrs. George Klement.

Combined Scout Financial Campaign Ends on Sunday

With only three days left for the Diablo District's annual Girl Scout-Boy Scout finance campaign, volunteer workers are stepping up efforts to reach the goal of $35,000.

Starting last Monday, volunteers have been carrying the message of scouting into homes and businesses. According to Mrs. J. Wayland Barnette, general chairman, and H. William Werner, vice-chairman, results in general have been "very good."

Last day of the drive is this Sunday.

One of the main points stressed in the drive, according to Mrs. Barnette, is the comparative costs of the scouting program and the lack of such a program.

"IT COSTS $10 a year to keep a girl or boy in scouting," she said. "It costs $1000 a year for taxpayers to care for a child delinquent in a juvenile home."

Mrs. Barnette emphasized that the $35,000 budget will barely carry out the scout program for the nearly 3000 boys and girls now in scouting in this area and the 500 more expected to be registered in the next 12 months.

"SCOUTING," she declared, "is just as necessary in community life as the police and fire departments are — in fact, more so.

"The police and fire departments take care of the immediate needs of a community in their respective fields, but — and this is a big BUT — scouting not only helps a child with its immediate needs but, through training and opportunities made available, trains that child to take its rightful place in American society, to carry on the American heritage when the present generation stops."

'Auto Race' Gets Really Warmish!

Final results in the "auto race" drive for memberships in the Orinda Mothers Club will be available the end of next week, Mrs. Bertram Kohler and Mrs. Thomas Cooper, chairmen, announced today.

Classes leading the drive Wednesday morning were:

Orinda School — Mrs. Lamborn's first grade, 78 per cent; Mr. Lambert's eighth grade, 78 per cent; Mrs. Givens' sixth grade, 73 per cent.

Glorietta School — Mrs. Anderson's sixth grade, 82 per cent; Mrs. Parker's second grade, 77 per cent; Mr. McNichols' fifth and sixth grades, 77 per cent; Miss Seifker's third grade, 75 per cent.

Mrs. Robert Bigler, president of the Mothers Club, has stated that there will be only one $5 prize awarded to the first class in each school to reach the 100 per cent membership goal. All other classes later reaching the the 100 per cent goal will be given $3. The drive will close next Friday, October 5.

Catholic Women Elect Officers

Installation of the newly elected officers of the Catholic Women's Club of Santa Maria will take place in the Orinda church after the Holy Hour next Friday evening at 8 o'clock.

The new officers will be Mrs. Robert Boyle, president; Mrs. Dean Lippi, vice-president; Mrs. D. H. Neuenschwander, recording secretary; Mrs. Alexander Morris, corresponding secretary, and Mrs. Robert Raskob, treasurer.

Next club meeting will be October 9, 8 p.m., in the main dining room at St. Mary's.

Over 500 Attend Pandora Affair

More than 500 persons enjoyed Pandora Chapter's Indian Summer Festival at the Joseph M. Long estate in Sleepy Hollow last Saturday night.

Barbecued meals, folk dancing by Mr. and Mrs. Robert Ross' dancers and by the crowd, and water ballet acts by the Berkeley City Women's Club team highlighted the occasion.

Proceeds go to the Children's Home Society of California, oldest adoption agency in California.

Three Boys Hurt As Car Plunges Down Slope

Three teen-age boys, students at St. Mary's High School in Berkeley, were injured during the rush hour Wednesday afternoon when the car in which they were traveling plummeted down a 40-foot embankment on the south side of Mt. Diablo Boulevard about 200 yards west of Orinda Crossroads.

Injured were Mervyn Burns, 17, of Martinez, driver of the car; Tim Schatzman, 13, and Jerry Weising, er, 14, both of Concord. The Schatzman boy suffered a gash on top of his head, and cuts and bruises. The other two boys were treated for cuts and bruises.

The car had been headed east. Burns said a bus going in the same direction forced him off the highway.

'Maiden Voyage' From Fire House 2

"Maiden voyage" of equipment from Orinda Fire Station 2 at Moraga Highway and Orchard Road occurred Wednesday afternoon when a call was received which sent a truck to a grass fire on La Cresta Road in the Moraga Del Rey section.

Assistant Fire Chief Al Winsor reported that about two acres were burned. He said that someone had seen young boys playing with matches start the blaze.

The alarm, received at 2:45, was the first call for the new fire house since it was placed in use almost six weeks ago.

Routine of both Orinda and Lafayette firemen was enlivened Tuesday night by unsuccessful search for a truck which had been reported on fire on Mt. Diablo Boulevard at Charles Hill Road.

Winsor said that apparently the driver had put the blaze out and had driven on before the firefighters arrived.

Mills Club Ready For Dinner Dance

Orinda Mills Club recently held its monthly business meeting at the home of Mrs. W. J. Cunningham.

Final plans for the Centennial Ball were discussed and a boys' Hallowe'en party was planned for October. Mrs. Harry Booth will have charge of this project, assisted by Mesdames Stuart Henderson, Luther Gulick and M. E. Spaght.

Next business meeting will be held October 10 at the home of Mrs. Del Fager.

Reservations for tomorrow night's formal dinner dance at the Palace in San Francisco are pouring in from throughout the mid-Pacific Coast sector.

Mr. and Mrs. Stuart Henderson will host the Orinda group planning to attend the ball, at a cocktail party preceding the dance, this coming Saturday night.

Bridge Sections Meet Next Friday

Bridge sections of the Orinda Mothers Club will hold their first get-togethers on next Friday, according to Mrs. Jack Moylan.

The morning group will meet for coffee and snails, followed by bridge or canasta, at the home of Mrs. Gordon Pray, 104 Sleepy Hollow Lane, from 9:30 to 12.

The afternoon section will meet from 12:30 to 4 p. m. at the home of Mrs. Alan Waddell, 85 Lombardy Lane. Dessert and coffee will be served.

Gala 'Fashions Fiesta' Tomorrow At St. Mary's

Tomorrow is the day . . . St. Mary's College the place . . . and "Fiesta" the thing for 500 Bay area women bound for the presentation by the Orinda Catholic Women's Club of their "Fiesta of Fashions" featuring luncheon, entertainment and a display of the newest modes in apparel, millinery and furs.

"Complete sellout" was the happy term applied to the affair this week, with overwhelming response to the organization's first such venture resulting in additional compilation of an ever-lengthening ticket waiting list.

Mrs. F. D. Courneen heads the committee responsible for planning the event. She is assisted by:

Mesdames Joseph Ortland, co-chairman; Leighton MacGregor, Roy Niosi, A. V. Scollard, tickets; Leo Ortland, prizes; Lloyd O'Connell; Robert Boyle, Robert Raskob, printing; Charles Malone, Harold Libbey, decorations; George Courtney, John Boyen, entertainment; Gerald Bonnington, ushers; Dean Lippi, John Boyen, models, and Duane Neuenschwander, publicity.

Luncheon will be served in the main dining room of the college at 12:30 p.m.

Sermon on Job Sunday Morning

"The Masque of Reason," a sermon about Job, will be heard in the 11 a. m. worship service of Orinda Community Church Sunday. The service may be held in the chapel, although formal dedication will not be made until next month.

The choir, under direction of Margaret Popovich, will participate, with Daniel Popovich accompanying.

Guests of the congregation will be a delegation of Job's Daughters from Berkeley.

Sunday church school pupils are expected to be able to use all or part of the new classroom facilities in the church's new unit. The session is at 9:30. A nursery for babies is being established at the church hour, to permit parents to attend. This is in addition to the usual church time care for children through primary age.

Newly Formed Troop Meets

Mothers of members of the newly organized Orinda Girl Scout Troop met September 18 at the home of Mrs. John McFarland for a planning session.

Mrs. Sig Groennings, leader, outlined her projects and goals for the coming year and introduced her coleaders, Mrs. Frank De Wolf and Mrs. William Mott, and the troop chairman, Mrs. John McFarland.

MRS De WOLF and Mrs. Mott appointed committees of mothers to assist with the program.

It was agreed that the troop, numbering 16 girls, had reached capacity and for the present would be closed to new members.

GIRLS IN THE troop are Caryn Anderson, Mary Jane De Wolf, Lynn Thompson, Kathleen Fitzgerald, Janet Lee, Sandra Miller, Nancy Mott, Pamela Trests, Madelyn Sears, Pamela Phillips, Sheryl Studley, Mary McFarland, Susan Steward, Roxine Huntley, Heidi Von Guenthner and Mary Goodwin.

The troop held its first session September 20 at the Scout House.

Cummings Didn't Ask Ordinance, Paasch Reports

Despite Supervisor Jack Cummings' earlier statement that he expected to ask at Monday's Board of Supervisors meeting for an ordinance to be drawn up by the district attorney's office to control draw poker parlors by licensing, the subject did not come up at Monday's county board meeting in Martinez, according to County Clerk W. T. Paasch.

Paasch, who was present at the session, said no mention was made of the poker-parlor situation or of contemplated licensing of such establishments.

LATER IN THE WEEK Cummings was in Santa Cruz, attending the 41st annual convention of the County Supervisors Association of California, which opened Tuesday.

At a meeting in Lafayette Town Hall September 12 with area leaders, Cummings promised to ask that such legislation be drawn up. Last week he said he expected to request the board to ask the district attorney's office to draw up a poker-control ordinance.

HOWEVER, COLLINS was present at last Monday's session, according to Paasch, and the subject still did not come up.

At the September 12 meeting with Cummings were Supervisor Ray Taylor and representatives of the Lafayette Improvement Association, Orinda Association, Gregory Gardens Improvement Association, Sanranap Improvement Association, Pleasant Hill Improvement Association and Lafayette Chamber of Commerce, as well as a number of interested observers.

President W. B. Scarborough of the Lafayette Improvement Association said this week that it was agreed at the September 12 meeting that a representative group would discuss the matter of a proposed control law with the district attorney but that Cummings would clear the way for such a conference by bringing it to the attention of the D. A.'s office.

"Cummings first said that all we had to do was to go to the district attorney," Scarborough said. "When I asked him if he'd clear the way, he said he would."

Cummings last week explained that he, as county board chairman, could not make a motion, and said he would ask the board for a motion requesting the D. A.'s office to draw up a control ordinance.

Moves for poker parlor control stemmed from opposition to establishment of the bamboo-shaded "Pastime" cigar store-"social club" by Gus Schwarz and Silvio Mangini in the former post office building on Mt. Diablo Boulevard, Lafayette.

Cal Prof To Talk To Women's Group

Professor Stafford Jory of the School of Architecture at the University of California today will show colored slides and discuss famous churches in Europe.

Jory has just returned from Europe. The affair will be a dessert luncheon at the home of Mrs. Eugene Shurtleff on Miner Road. Friends and members of St. Stephen's Auxiliary are cordially invited to participate.

Services for Sunday:

9:45 a. m.—Church School, Grades 1 upward, at the church. 11, morning prayer and sermon by the vicar; 11, Primary Department of Church School, ages 3 to 5, at the Club House, Oak Springs Pool.

6 p. m., High School Young Peoples Fellowship, at the home of Renan Hagens, 126 Lombardy Lane. This is an important meeting as the program for the ensuing year will be planned.

The Young Peoples Fellowship got off to a good start last Sunday, with a dessert and social evening at the home of Sally Shipley in Happy Valley. It is hoped that all young people of high school age will come to join in the fun from 6 to 9 Sunday evenings — this coming Sunday at the home of Renan Hagens in Sleepy Hollow.

Orinda Oaks Board Meets

A meeting of the Board of Directors of Orinda Oaks Association was held Monday evening at the home of President King Farrington. Farrington introduced new residents and reviewed past actions of the association.

Chairman Charles Blue of the area improvement committee made a preliminary report on area improvement efforts.

Other subjects discussed were road conditions, dues and nomination of officers.

This meeting was a preliminary to the annual Orinda Oaks meeting in October. President Farrington said that residents will be notified of the exact date.

Troop 207 Scouts Camp in Marin

Some 20 Boy Scouts of Troop 207 went to Indian Beach on Tomales Bay, Marin County, for an overnight camp last weekend.

Tour Community Center Land On October 6th

Directors of the Orinda Association will make an inspection tour of the Orinda Community Center grounds on Saturday, October 6, starting at 10 a.m.

This was decided upon by the organization's board Monday night at its meeting at Orinda Grammar School.

Decision to look the Community Center land over followed general discussion of recreational needs of the Orinda area. Concern was expressed over the fact that, despite the fact that the association acquired the site a few years ago and is paying taxes and other expenses on it, it has not been possible to develop the spot into a recreational area.

Mrs. Thomas N. St. Hill mentioned that the area across from Orinda School, on the west side of Orinda Highway, might be a good place for eventual community recreation.

Stanley Allen said, "We must make plans about the Community Center land. The board should study the matter and determine if it's good for future use; if it isn't, maybe we should sell it."

"It seems to me," observed President Kirk Miles, "that we need a group to study what other communities are doing about this problem. In addition to seeing our Community Center land, we should start forming plans for use of the land."

State Says No On 'Left Turn Only' Markings

Marking of left-hand lanes on Mt. Diablo Boulevard at the Crossroads for "left turn only" is considered unwise by the State Division of Highways, the Orinda Association board learned Monday night.

In a letter to the board, in response to one from Board Secretary Norman Coates, Colonel John H. Skeggs, assistant state highway engineer, stated that such procedure would cause "more confusion" and "more hazard."

Skeggs listed "two drawbacks"—"(1) It would reduce the usable area of the cross-street approach to the intersection by about one-half, since straight-through cross-traffic would be forced to use only one lane; and (2) it would tend to give the motorist making the left turn the impression that he has the right of way, when actually he is obliged to yield right of way to oncoming vehicles."

OTHER BUSINESS at the board meeting included:

1.—Approval of an Orinda "arbor day" in the spring of 1952.

2.—Decision to write County Road Commissioner Joseph Barkley, asking the county to take over Tara Road.

3.—Decision to write the California Highway Patrol, complimenting it on improved traffic policing and asking it to halt dumping of rubbish at the south side of Mt. Diablo Boulevard between the Tunnel and the Crossroads.

4.—Voting to consult Schools Superintendent Joseph L. Sheaff regarding repainting of the crossing mark in front of Orinda School.

5.—Tabling until the next meeting a proposal to protest to the Moraga Company against the type of development at Inland Valley by Robert Platt.

6.—Decision to ask Supervisor Jack Cummings if the county could furnish additional street lights for the business area.

7.—Voting to ask the Civic Affairs Committee to plan a telephone membership campaign, as it successfully did last year. The drive will be held later this year.

Board of Orinda Association for Poker Control Law

Unanimous endorsement of the proposal for a county ordinance controlling draw poker parlors through licensing was voted by the Orinda Association's Board of Directors Monday night.

Board action, at Orinda Grammar School, occurred after President Kirk Miles reported on recent developments on the "draw poker front."

The directors' stand was in line with action by the Civic Affairs Committee, which had condemned poker parlor-"social clubs" and had expressed cooperation with area-wide moves in the fight.

ON SUGGESTION of Miles, the association board voted that a letter be written by Secretary Norman Coates to Supervisor Jack Cummings, informing Cummings of the association stand.

The motion was made by Stanley Allen and seconded by Mrs. Ned de Laveaga.

After telling of the September 12 meeting of Central Contra Costa County leaders with Supervisors Cummings and Ray Taylor at Lafayette Town Hall, at which Cummings promised to ask for the district attorney's office to draw up a poker-control ordinance, Miles said:

"THE LAFAYETTE GROUP — the Lafayette Improvement Association — is planning to work with District Attorney Francis Collins in drafting an ordinance, and they'll be glad to have someone from the Orinda Association working with them."

In explaining the background of efforts for a control law, Miles said:

"The Board of Supervisors had flatly refused to outlaw poker parlors in unincorporated areas."

Marvin Bonds, Mrs. St. Hill Leave Board

Two directors of the Orinda Association — Marvin Bonds and Mrs. Thomas N. St. Hill — tendered their resignations at Monday night's board meeting at Orinda School, for reasons of health and pressure of other activities.

The board accepted both resignations with regret.

Joseph D. De Costa, president of the Sleepy Hollow Improvement Association, was named to succeed Bonds for the remainder of 1951.

Mrs. George Vurek was asked to take Mrs. St. Hill's place for the remainder of the year. Mrs. Vurek said she wanted a few days in which to decide.

Brother Receives Will Benefits

Filing in Contra Costa County Superior Court this week of the will of Mrs. Signa M. Hyde, 55, who was found dead in her Orinda home September 10, revealed that her brother, Chester L. Forsburg of Cleveland, was named sole beneficiary of her more than $10,000 estate. The will had been written two weeks before her death.

Piedmont Attorney Dudley H. Nebeker, who was named as executor in the will written on August 27, was petitioner. Four other brothers of the deceased were not mentioned in the document.

Mrs. Hyde, who lived at 38 Linda Vista, was the widow of W. L. Hyde, operator of a Bay area electrical business.

CALENDAR OF EVENTS

FRIDAY, SEPTEMBER 28

Women's Auxiliary of St. Stephen's Episcopal Church, dessert luncheon, home of Mrs. Eugene Shurtleff, 570 Miner Road, 1 p. m.

Football — Acalanes Varsity vs. El Cerrito, at Acalanes, 8 p. m.

League of Jewish Women, meeting of Sunday School parents, home of Mrs. Sam Wiseman, 1310 Alma Avenue, Walnut Creek, 8:15 p. m.

Lafayette Playshop, opening of "Dirty Work Afoot" and Olio, Lafayette Town Hall, 8:30 p. m.

SATURDAY, SEPTEMBER 29

Santa Maria Catholic Women's Club, luncheon-fashion show, "Fiesta of Fashions," St. Mary's College.

Glorietta Improvement Association, Seven Oaks Circle home of Mr. and Mrs. T. M. Harrer, evening.

Orinda Park Pool, filk dancing and square dancing, 8 p. m.

Lafayette Playshop, "Dirty Work Afoot" and Olio, Lafayette Town Hall, 8:30 p. m.

SUNDAY, SEPTEMBER 30

Services at Orinda Community, St. Stephen's Episcopal, Santa Maria and Christian Science Churches. (Masses at Santa Maria, 7, 8, 9, 10:30 and 12:15).

Pilgrim Fellowship, Orinda Community Church, 7 p. m.

MONDAY, OCTOBER 1

Chi Lambda Chapter, Delphian Society, Orinda Community Church.

Boy Scout Troop 200, Scout Hut, 7:30 p. m.

Orinda School Board, Orinda Grammar School, 8 p. m.

Orinda Lodge 704, F. & A. M., Orinda Community Church, evening.

Meeting of den mothers, future den mothers, assistant den mothers and officers of Cub Pack 32, home of Cubmaster John Ogden, Piedmont Avenue, 8 p. m.

TUESDAY, OCTOBER 2

Women's Guild luncheon, dedication of new church kitchen, Orinda Community Church.

Boy Scout Troop 207, Scout Hut, 7:30 p. m.

WEDNESDAY, OCTOBER 3

Rotary Club, Willows, noon.

Barbershoppers, Orinda Roost, 8 p. m.

Explorer Post 300, Scout Hut, 7:30 p. m.

Orinda Nursery School, board meeting, home of Mrs. Charles Lohse, 54 Mira Loma, 8 p. m.

THURSDAY, OCTOBER 4

Chamber of Commerce, Casa Orinda, noon.

Orinda Garden Club.

Contra Costa Republican Assembly, Acalanes High School, 8 p. m.

FRIDAY, OCTOBER 5

Catholic Women's Club of Santa Maria, installation, at the church, after the 8 p. m. Holy Hour.

Cub Pack 32, Orinda Grammar School, 7:30 p. m.

Orinda Mothers Club, Bridge Sections — morning group, home of Mrs. Gordon Pray, 104 Sleepy Hollow Lane, 9:30 a. m. to noon; afternoon group, home of Mrs. Alan Waddell, 85 Lombardy Lane, 12:30 to 4 p. m.

Don Debut Augurs Well for '51 Season But Eleven Has Byes for Two Weekends

By ERWIN MATTSON

THE ACALANES DONS made their 1951 football debut a successful one when they trimmed the stubborn Bulldog eleven of Alhambra 21-7 last Friday night.

It took a while for the Acalanes aggregation to get going, and they definitely had early game jitters.

Quarterback Dick Fey did an outstanding job in his first try at the down-under position and called a fine selection of plays.

THE SCHEDULE AHEAD is a tough one, with many fine teams as opponents.

One of the most difficult things that faces the squad is two bye weekends, next weekend and that of October 19.

Two weeks is a long time to keep a team at a pitch without a game to look forward to.

One bye date came about due to the fact that seven teams comprise the league with the advent of Albany. This resulted in every eleven having a bye during the season.

The other bye came about when the Dons were unable to get a practice game and Alhambra found themselves in the same predicament. By special permission from the league the two teams were able to get together by starting practice a week earlier than originally planned.

THE FIRST GAME was a practice tilt.

Final game of the season comes on Wednesday, November 21, as the league encounter between Acalanes and Alhambra.

THE DON VARSITY plays two daytime games this year.

The first is with Albany High October 12 at Albany, and the other is with John Swett at John Swett October 26.

Neither school has lights, and both play all home games starting at 3:30 p.m.

ALBANY BOASTS a new stadium and a letter-studded eleven that could be the surprise of the league.

Twenty-seven lettermen are back under Coach Craige Ortlieb's guidance, and that's tops for the league.

Coach Ortlieb will be remembered by many local people and former students at Acalanes, as he was line coach at Acalanes back in '45 and '46, left here for a head coaching job at Petaluma and then went to Albany last year, where he has done a better than good job.

PLANS ARE DEFINITELY under way for development of the Las Lomas athletic plant and fields, so soon the area will have two representatives in the athletic field of high school competition.

On the basis of growth this year, it won't be too long before the Orinda plant is under way, and that means that the Acalanes District will practically have a league all its own!

FOLLOWERS OF the Golden Bears of California are probably in for another banner year on the gridiron.

I happened to see a recent three-hour scrimmage, with a horde of football players making it look like a well-organized three-ring circus.

Depth is there, ability has been developed to its fullest, and, most important of all, the squad spirit seems to be higher than ever — and that's going some!

Coach "Pappy" Lynn Waldorf and staff have done another top job.

The passing appears to be better and of a more certain quality than it has been since Waldorf's arrival, and the running attack appears to be faster than ever before.

Dons Win Opener Against Bulldogs By 21-7 Score

The Acalanes Dons took a while to get into high gear against Alhambra last Friday night but finally put together three sustained drives, after balking in early stages of the game, to score three touchdowns and convert successfully on either a run or via the air route to emerge a 21-7 winner in the season's opener.

The Dons dominated the game at Alhambra Field from the kickoff, as they drove on several occasions inside Alhambra's 10 only to lose the ball on downs.

Late in the first quarter Ed Grueb, Eric Murray and Al Culp took turns carrying the ball to the Bulldogs' six.

PENALTIES SET THEM back and they ended up on the two, from where Alhambra was forced to punt.

Luperi's kick was partially blocked, giving the Dons possession on the 33-yard line.

EDDIE GRUEB HIT for six yards over tackle, and Culp added seven on an end run. Grueb hit and Eric Murray took it on a slant off tackle, plowing to the six, from where Grueb smashed it over to score.

Seconds later Dick Fey's pass to Art Siler in the end zone made it 7-0.

THE DONS WERE NOT long in scoring number 2 touchdown when they kicked to Alhambra, held them on three consecutive downs and took over the ball on their own 38.

Two plays produced 12 yards and with 12 seconds on the clock, Quarterback Dick Fey pitched out to Al Culp, who started on a wide sweep to the right, then heaved a 30-yard pass to Ed Grueb.

Grueb was in the clear and rambled unmolested after plucking the pigskin out of the air.

Darrell Crossman took the ball and skirted right end to make the try for point successful.

TALLY NUMBER 3 came early in the third frame when Johnny Costanza fumbled on an attempted pass and big Andy Monsen pounced on the ball, to give the Dons possession.

Consecutive drives over tackle and around end produced touchdown number 3 in short order, with sparkplug Eddie Grueb going over from two yards out and Dick Fey tossing to John Daniels for the extra point.

At this point reserves were thrown into the fray, and many showed to advantage, with Sophomore George Fortado being a standout on defense.

ALHAMBRA'S SCORE came in the fourth quarter when they took possession on the 47 and drove to the goal line on seven plays.

An 11-yard pass, Bonacci to Woodall, aided the cause, and Johnny Costa went over from 10 yards out to score standing up on a well executed play to the left.

Costa powered over tackle to make it 21-7.

THE GAME WAS a well-played one on the part of both eleven for an opener, with some good tackling and running featured by both teams.

The Dons' greater experience and weight advantage proved to be the difference.

Tony Pellegrini, Alhambra's All-County center, did a bang-up defensive job and Guard Duane Furman proved to be a good aggressive guard, while Backs Billy Woodall, Hank Coster and Don Luperi did all right, particularly on runs up the middle.

THE DONS PERFORMED well as a whole, with Quarterback Dick Fey doing better than all right in his first time out at the ball-handling spot.

Dick hit on six out of eight passes and called a good game, mixing plays well.

Darrell Crossman proved to be a better than average kickoff man as he booted the ball inside the 15 on each try, and snagged a 20-yard pass that came close to going all the way.

EDDY GRUEB WAS the leading ground-gainer as he displayed some head running, while little Al Culp showed well with his passing, running and work at the safety spot.

Bob Borghesani was a standout on his blocking and downfield punt coverage, while Ends Art Siler, Roger Linn, John Daniels and Jerry Henderson proved to be tough on the defense as well as good pass snaggers.

DON VARSITY looks mighty good this Fall, although it faces some tough opposition on the gridiron. These stalwarts are some of the top-flight Acalanes football players as the season gets under way, with the league opener, against Albany, set for October 12 at Albany. Left to right are (front row) Art Siler, Bob Borghesani, Buzz Williams, John Bowron, Charlie Ostrom, Richard Ting and Roger Linn, and (back row) Ed Grueb, Eric Murray, Dick Fey and Al Culp. — Acalanes Blueprint Photo

Tough El Cerrito Team Faces Dons Tonight

The Acalanes Dons face a formidable foe in their number 2 game of the season tonight when they match their gridiron skill with the El Cerrito Gauchos, who boast a fast and heavy eleven.

The game is at Acalanes and kickoff time is at 8 p.m.

Fresh from a 19-7 win over Salinas High, the El Cerrito team will be a tough hurdle in the way of a second win for the Dons, who made their season's opener against Alhambra a successful one when they bagged a 21-7 count.

EL CERRITO has been a power in the Alameda County League the past two seasons, each time ending up in the number 2 spot, behind Berkeley High.

Fast backs and a big, rugged line make a tough combination. Nathan Wills, Jim Morris and Joe Charles represent speed in the backfield, with Charles Duckworth the power up the middle from the fullback spot.

In Lary Plonty and Ralph Blume they have two ends who hover around the 200-pound mark and are better than average hands at snagging the elusive pigskin.

THE DONS CAME OUT of the Alhambra game in good physical shape and have a hefty line of their own, anchored by such as Buzz William (175), Andy Monsen (226), Bob Borghesani (200) and Richard Ting (207).

Eddy Grueb (185) at right half is a power runner with high knee action, while Eric Murray is a hard-driving fullback with Ray Williamson (185) pressing him for the starter's spot.

Al Culp (137), the scooter, rates No. 1 at left half and looks to be ready for a good season, having developed passing potential.

Dick Fey will start at quarterback and shows promise as he improves in ball handling and throwing. Last week he connected on six out of eight., giving him a .750 average, which is O.K. in any league.

A GOOD CROWD is expected to be on hand tonight to see the Dons in their first home game of the season.

Next week finds Acalanes drawing a bye prior to their league opener with Albany slated for Albany's new field on Friday, October 12.

That game will be a 3:30 p.m. daylight game, as Albany does not have lights.

Hi-Lites on Hi-Life

By MARY THIES

HERE I AM AGAIN. Only this time it's a different column, "Hi-Lites on Hi-Life."

Student body card sales are just about over but that doesn't mean everybody has bought one. You may not realize it, but that $1.50 goes a long way when you get into sports events and dances with a big discount.

For those who are wondering why the "Blueprint" (the school paper) is now being sold—this is it. The staff decided that they would be better off being completely independent from the student body. This means all money must come from advertising and you!

FIRST RALLY of the year was held a week ago, before the Alhambra-Acalanes football game.

May I take this opportunity to congratulate Mr. Hansen. He has done a wonderful job organizing the band and I'm sure we'll be very proud of it this year.

Ben Randall also deserves a lot of credit for presenting one of the best rallies ever seen at Acalanes. Incidentally—we beat Alhambra 21-7.

LAST YEAR at Acalanes a group of students went to San Francisco to see the opera "Madam Butterfly." This trip was such a success they have made arrangements to attend "Carmen" on October 11.

Not only do the students enjoy attending an opera, but this year they are trying something new. The music department under direction of Mr. Hansen is planning to give an operetta, "The Forest Prince."

This is to take the place of the Variety Show which was held last year.

The Variety Show will not be held because the faculty feels it takes too much time away from school work.

Although some students will not admit it, I'm sure most of them agree—it was a tough program, with school work and rehearsals.

THAT'S ENOUGH for now, but there'll be more of the same next week.

Counsel Program Gets Under Way

Acalanes counselors directed by William Ross started an intensive counseling program for Acalanes seniors this week as school rolled into the third week of the new fall term.

Special discussions, program scrutiny and advisory sessions are held between senior Dons and their advisors at the beginning of the year to insure that each student is properly filling graduation requirements or other special training prerequisite to high school graduation, school trade or business programs.

The work done by the counselors with students in their senior year culminates an extensive four-year counseling program conducted at the high school.

Membership Class Sales Pushed by Acalanes Students

Acalanes student body officers, led by Student President Art Siler, pushed into the final lap of an all-out student body membership card sales campaign this week, with today the deadline for card purchasing.

Student officers hoped to surpass last year's sales of 93 per cent for the student body. The cards, sold at $1.50, subsidize student activities for the school year and provide funds for running the student government.

Student social activity was inaugurated recently with an evening "get acquainted" dance for the entire student body.

Music Teachers Combine Shower, Business Meeting

Mr. and Mrs. F. N. Palmer of Lafayette and Virginia Blair entertained the members of the Contra Costa Branch of the Music Teachers Association and their husbands with a potluck supper and barbecue September 17 at the Palmers' home.

Mrs. Nellie Alexander, past president of the branch, was honored with a handkerchief shower.

At the business meeting which followed supper, plans for the second Music Festival were discussed. It was decided to hold the Festival in March, 1952, and that only teachers who are members of the M.T.A. will be eligible to enter students.

Next meeting of the M.T.A. will be at the studio of Helen Stone Packard of Concord on October 21. Don Judd will be the guest soloist.

Those present as guests of the organization were Helena Elise Albright and Mr. and Mrs. Gordon Gibson.

Ross E. Van Dyke Joins Shell Staff

Ross E. Van Dyke, formerly instructor in chemistry at Johns Hopkins University, has joined the staff of Shell Development Company and is working in the Colloid Chemistry field.

Van Dyke, holder of a Ph. D degree in chemistry from Brown University, received his undergraduate training at Gettysburg College and was connected with the Manhattan project during World War II.

The Van Dykes and their two children, Carl and Joyce, will reside at 881 Reliez Station Road, Lafayette.

Clock Goes Back One Hour Sunday

Since this concerns such elusive items as hours often described as "lost" and "gotten back," there are some people who probably feel this news should be in the Lost and Found section of the classified ads.

But the return to Standard Time at 2 a. m. Sunday requires no "lost and found" confusion. It's really quite simple.

When the clock says 2 (Daylight Saving Time) this Sunday morning, its hands are supposed to jump promptly back to 1 — and presto, we're back on Standard Time until the last Sunday of April, 1952.

Of course, somebody has to move the clock-hands back. If you have an aversion to getting up at 2 a. m. to do this, the easiest way is to move the hands back an hour when you go to bed tomorrow night.

Or you can wake up Sunday morning, turn the clock back an hour, and settle down for an extra hour's snooze.

Either way, you'll be right on schedule with Standard Time.

Driver Training Classes On Again At Acalanes H. S.

Acalanes driver training classes conducted by Edward Lahey were convened again at the beginning of the new school year.

This year students will drive a new Pontiac dual control sedan donated the school district by Mort Brown, Walnut Creek Pontiac dealer.

Pupils in driver training are given thorough training in car operation, safety regulations, general automobile nomenclature and basic maintenance. Proper driving attitudes are heavily stressed.

The program at Acalanes and other schools throughout the state is recognized and assisted, where possible, by the National AAA. Over the four-year period of school almost every student is afforded an opportunity of taking the course.

Last year 150 students took the course.

More Than 700 In Adult Classes At Adult School

Enrollment in the Acalanes Adult School continued to rise this week with more than 700 community residents signed up in the fall program, according to George Houghton, adult director.

Among the courses that have heavy popular appeal are crafts, creative writing, wood carving, bookkeeping, public speaking and typing.

Public speaking is being taught by Richard Nesbitt, brother of John Nesbitt of the popular "Passing Parade" radio and film feature.

Creative writing, a course designed to take the story telling ability of the average adult and turn it into selling commercial copy, is being taught by Mrs. Edith Shafer.

A new course in silk screen printing technique directed by Jacklyn Meurk, starting next Wednesday, October 3, will endeavor to cover all the techniques involved in reproduction, stencil designs, greeting cards and other practical purposes. Christmas card design will be emphasized.

Attempts are being made to start a Great Books Course and a class in Dog Obedience. Fifteen people are minimum for starting a course.

Further information on the adult program may be had by calling the high school, Walnut Creek 6707, 7 to 10 p.m., Monday through Thursday.

Lost Key Set at Sheriff's Office

The sheriff's office announced that a set of house keys was found in Lafayette recently. No identification was with the keys.

The set, consisting of two keys in a small leather case, is at the sheriff's office in Martinez.

The loser of the keys is asked to come to the sheriff's office to claim them.

HELPFUL HINTS
FROM MILTIE

If you didn't see the sign or if you just ignored it, try this. If the dress is washable rub vaseline into the paint stain. Then soak the spot in turpentine until the paint softens and wash the garment in warm soap and water. If the dress isn't washable, try rubbing the spot gently with a pad of toweling or cheesecloth soaked in turpentine. If this doesn't work, take the garment to your dry cleaner but be sure to tell him where the spot it and what it is.
Of course anyone silly enough to sit on a wet bench shouldn't be told how to get the paint off. Let them stew in their own juice. One thing you could do though is to paint the stripes all around the dress and make it look like they belonged there. But just thinking about it, what were you doing sitting down on the bench in the first place. You either have too much time on your hands or you were up to no good.
To prevent poached eggs from sticking to the bottom of a pan, rub the pan with butter or shortening before filling it with water.

About Our Happy Country Folk

AND NOW THAT PRACTICALLY everyone is home again with freckled faces, faded hair and outsize figures, the Junior League realized that something had to be done to whip our fair females back into some sort of shape again — so — they are planning the first Fashion Show Luncheon for next Wednesday at the Art and Garden Center in Walnut Creek. Henceforth and from that day forward they will have similar showings on the first Wednesday of each month.

This time the clothes will be from Carolyn Kelsey and the models will be Mesdames Edward Blaisdell, Frank Smith, Robert Hervey, Martin Holt, Samuel Hall, Edward Chappell, Oliver Hamlin, Ridgway Woodburn, Stanley Dollar, Jr., and Robert Greig.

The members of the League who have volunteered to set tables and wait on the guests are Mesdames Karl Schivell, Ramsay Underwood, Leland Scott, Jr., Robert Pinger, Robert Eshleman, Robert Spott, Bruce Howard, Edmund Cardin, Bruce Hayes, William Greuner, Jr., William Platt and James Black, Jr. Mrs. Bruce Anderson is the chairman and Mrs. Ernest Kahl, Jr., is her assistant.

Believe you us — we are going to get our reservations in early because we could certainly use a few new Fall ideas — and the lunches are always excellent — whoops — seems to be a slight contradiction of purpose there — well, anyway, it is all most enjoyable.

OBSERVED AT THE PANDORA party Saturday evening at the Joseph Longs' home — iron braziers aglow with hot coals strategically placed throughout the gardens, to be a nucleus for warmth and conversation.

Queues in line for hamburgers and salad occasionally disrupted while some gentleman fumbles through his pockets for that elusive long ribbon of tickets that would ensure safe passage for himself and for his lady past the ticket collector.

Blue-grey skies of early evening making a backdrop for the silhouette of poplar trees over the brow of the hill.

A cool windless evening with pep in the air and a feeling of autumn having already arrived — and just exactly what happened to summer?

OFF AGAIN, ON AGAIN, going again Selbys they should be known as. First they buy a house at Tahoma, Tahoe, then they are visited by Helen Wiggins with Jim and Lynn, and Janet Rupley with Bob and Bill.

Then they rush home to have Betsey's appendix removed, then they go back and start proceedings to add on a bedroom and bath — and new fixtures — and then pretty soon off to Washington, D. C., for a brief trip.

Mr. and Mrs. M. E. Spaght and children Peary, David and Sarah have just moved into their new home in Orinda. They lived in San Mateo, then Lafayette while they were building their house.

BEGINNING TO GET reports on who went what at various colleges. At Cal, Roger Dunn pledged Delta Kappa Epsilon; Jack Stoffel, Beta Theta Pi; Jack Babcock and Don Cvietusa, Sigma Nu; Jim Jacobus, Sigma Phi, and Tom Roemer, Zeta Psi.

And wouldn't ya know — it takes girls longer to make up their minds, so we will give you the dope on them next week.

Douglas Knight on Charles Hill Road has just received his Navy orders and is preparing to don the uniform on or about the middle of October.

Home for the weekend from his Army activities at Fort Ord, Dr. James Hayward.

That is all.

Attends Parents' Golden Anniversary

Edwin J. Fowler, Jr., of 11 Southwood Court and his son Peter attended the recent Golden Wedding celebration of Mr. Fowler's parents, Mr. and Mrsr. Edwin J. Fowler, Sr., at their farm at Black Wolf Point near Oshkosh, Wis.

The Fowlers, Sr., come to Orinda for the winter months each year.

Shop at home — and save.

Chit and Chat about Don and Donna

By MARY THIES

WELL, SCHOOL IS well under way by now. Last weekend was pretty busy with the Alhambra football game and the Walnut Festival.

Tom Morrish, Kay Mickle, Rick Johnson, Judy Johnson, Dave Cranston and Katie Gibbons were all seen at the football game and later at the Festival.

Also at the game were Tom Tilton, Carolyn Demeter, Jayne Kirk, Carol Jean Earle, Elaine Ranker, Richard Rogers, Bob Deal, Sue Fowler, Anne Marie Maddox, Diane Osborn, Joan Raspiller, Shirley Williams, Mike Elvidge, Ben Randall, Don Smith, Beth Pickton, Pat Gardner, Linda Phyle, Bill Bedard, Stan Pedder, Walt Williams, Judy Hall, Lorraine Durante, Pat Camp, and many more.

As you have probably guessed — we had a pretty good rooting section.

Many of the kids went to the Walnut Festival. Saturday night was also a big night for attending the festivities.

IT LOOKS AS IF most people have gotten into the swing of school by now.

Dances, football games and other activities fill up everybody's time, and occasionally they find time to do homework.

To start out the year with a bang, the Get-Acquainted Dance, "Back to the Rocks," was held. Jayne Kirk, our social secretary, was in charge of the event, with Carol Jean Earle, Christine Johnson and yours truly helping her.

THE CHILDREN'S HOSPITAL branch at Acalanes is taking part in a fashion show at the Claremont Hotel. Joan Gordon is one of the models in the show.

As a final fling before starting school, Ken Ernst, Richard Tompson, Frank Teiche and Gary Reick spent the day in San Francisco.

At a recent party given in Piedmont, Marianne Summers, Mike Klement, Kati Gibbons and Dave Cranston were among the guests.

IF YOU NOTICE a few students limping around school — here's the reason.

There is approximately one mile of road which the school bus is unable to pass, resulting in a long hike for Marianne Summers, Ned Druke, Bob Diehl, Joe Connolly, Don Reid and Ann Ward, among many others.

Seen at Joanne Willits' house for dinner were the following girls: Elaine Ranker, Chris Johnson, Carol Jean Earle and Jayne Kirk.

I'LL BE AROUND next week with some more news. May I remind the new students who haven't read this column before — I need news and the only way I can get it is if you give it to me.

You may leave any items for me in Room 108.

Dempsters Return From Vacation

Mr. and Mrs. Everett Dempster, Iris and Philip, returned Sunday, the 16th from a three weeks vacation to Salt Lake and Northern Arizona. They left Iris at the Verde Valley High School where she will live and study. On the return trip, the Dempsters visited relatives in Los Angeles.

On Saturday, Mrs. Dempster resumed her work with the Orinda Camp Fire Girls who have had no meetings the past month.

Happy Birthday to You

JOE MOORE

Joe Moore celebrated his ninth birthday September 11 with a barbecue supper for his friends at his home. The boys did their best to win the obstacle race in a back yard and then cooked their own wieners over an outdoor fire. Joining in the fun were Charles Blue, Paul Teachott, Bunky Kahl, Bobby and Dicky Clifford, and Tommy and Dicky Miles.

GAIL HAYWOOD

When Gail Haywood was five years old on September 8 she and her young friends donned Hawaiian leis in honor of the occasion for a party at her home in the afternoon. With her were Steve Thaman, Bryan Moriarity, Sue Farrington, Merily Merriam, Laurie Brown, and Ginny Phair.

TIMMY PARDINI

With his great grandmother, Mrs. A. Ornberg, and his grandmother, Mrs. E. A. Ornberg, present, Timmy Wirta Pardini enjoyed a large party to honor his fifth birthday recently. Those present were: Susan Trimble, Sandy and Mary Jo Gallagher, Doug and Bruce Ellinger, Cherl Wilson, Shaeyrl Pardini, Randy and Judy Lucas, Bruce Chicca, Tony, Denny, and Davy Pooler, (his cousins) from Modesto, and his grandparents from Turlock. Hopalong Cassidy plates held the party refreshments served during the afternoon.

SANDY CORBETT

Sandy Corbett had a glorious eighth birthday Sept. 15. He had a party luncheon at home complete with ice cream and cake, and then drove over to San Francisco to spend the rest of the afternoon at Playland at the Beach where they rode as many concessions as they could. With him for the day were Keith St. Clair, Lawrence Burde, Punky Geissler, Scott McFarland, Tommy Kirby and Geoffrey Michaels.

ROD ROBINSON

Cowboys and Indians — what small boy could want more for his sixth birthday? Which is exactly what Rod Robinson did have Sept. 15. Riding the bucking bronco and shooting the Indians down were Jack Witter, Cory Lowther, Scott Tyler, Bobby Abbott, Ronald Winkler, Kent Miller, Neal Rose, Gregory Starkman, Paul Locklin, Kendall and Craig Studley and his sister, Joan Robinson.

KATIE BAKER

Another party that day celebrated Katie Baker's ninth birthday. Twelve of her friends gathered for a luncheon on the patio and spent the afternoon playing games for prizes. With here were Judy Murphy, Deborah Smith, Joan Robinson, Carolyn Schuler, Nancy Graw, Margaret Bodfish, Sylvia Bolman, Sally Spott, Lolita Boysen, Marsha Nicolett, Padgett Gathings, Mary Jo Dunn and Mary Baker, Katie's sister.

Nancie Miller's Engagement Told

Mr. and Mrs. Edwin W. Miller of 3 La Bolsita Way, announce the engagement of their daughter, Nancie, to Daniel O. Mahoney, son of Mrs. Robert M. Mahoney of Mattapoisett, Massachusetts, and the late Mr. Mahoney.

Miss Miller is a graduate of Acalanes Union High School, class of 1949 and is presently attending Bennington College, Bennington, Vermont, where she is majoring in modern dance.

Mr. Mahoney is a graduate of Williams College and is presently in his second year at Harvard Law School. He is a member of Phi Delta Theta and Lincoln's Inn.

Their wedding plans are indefinite.

Drive very carefully—the life you save may be your own.

LEGAL NOTICE

NOTICE TO CONTRACTORS

Sealed Proposals will be received by the Clerk of the Board of Supervisors of the County of Contra Costa until 3:00 P.M. on 10-8-51, for the resurfacing of a portion of County Road No. 0961 (B-19) (San Pablo Creek Highway) with plant mixed surfacing, at which time they will be publicly opened and read in the chambers of the Board of Supervisors, Hall of Records, Martinez, California. All Proposals shall be filed with the Clerk of the Board of Supervisors of Contra Costa County, Hall of Records, Martinez, California, on or before that time.

The work shall be done in accordance with official plans and specifications prepared in reference thereto, which may be seen at the Office of the County Surveyor.

Plans, Specifications (but not including State Specifications or other documents included by reference), and Proposal Forms may be obtained by prospective bidders upon payment of a printing and service charge in the amount of Two Dollars ($2.00), which amount shall not be refundable. All checks shall be made payable to "Robert H. Kinney, County Treasurer".

Bids are required for the entire work described herein, and neither partial bids nor contingent bids will be considered.

ENGINEER'S ESTIMATE

1. Emulsified Asphalt (Paint Binder)	6 tons
2. Plant Mixed Surfacing	1314 tons
3. Adjust Manhole Tops	8 each
4. Adjust Lamphole Tops	1 each

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors of Contra Costa County does not, expressly or by implication, agree that the actual quantities of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work as may be deemed necessary or expedient by the County Surveyor.

TIME LIMIT

The Contractor shall complete all work on the project within 30 calendar days, counting from and including the day following the approval of the Contract by the Board of Supervisors.

LABOR

The attention of bidders is directed to the provisions of the Specifications relative to Labor.

In accordance with the provisions of the Labor Code, the Board of Supervisors has determined that the general prevailing rate of wages applicable to the work to be done, which shall be the minimum rates paid on this project, are as follows:

Classification	Rate per hour
CARPENTERS	
Journeymen Carpenters	$2.39
Cabinet Makers - Outside	2.39
Shinglers	2.515
Millwrights	2.515
Rigger, Bridge & Heavy Timber Carpenters	2.515
Saw Filers	2.515
Foremen to receive $2.00 per eight hours day above journeymen classification. Double time for all overtime.	
Apprentices	Graduated Scale
CEMENT FINISHERS	
Cement Finishers	2.42

The attention of bidders is directed to the provisions of the Specifications regarding Legal Relations and Responsibility.

Attention is directed to the correlation of the Specifications with the Standard Specifications of the State of California, Department of Public Works, Division of Highways, January, 1949, as to materials, methods, and workmanship.

The Contractor shall perform with his own organization and workmen under his immediate superintendence, work of a value of not less than fifty per cent of the value of all work embraced in the contract, as required by the Specifications for this project.

The Contractor, whose bid is accepted, shall furnish the following bonds to the County (at no expense to the County) executed by a responsible surety acceptable to the County in the prescribed form:

(a) Faithful Performance Bond
(b) Labor and Materials Bond

Each of the above bonds shall be in an amount equal to one-half (50%) of the total amount bid by the Contractor in his Proposal.

All bids must be submitted on a Proposal Form, obtainable from the County Surveyor, and shall be accompanied by a Proposal Guaranty of at least ten (10%) per cent of the bid. Guaranties shall be in the form of certified checks, or cashier's check, as provided in the section of the Specifications referring to Proposal Requirements. Bidders Bonds will not be accepted. Failure of the successful bidder to execute and return the contract, or to file acceptable bond, as required, within the time allotted shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guarantees not so retained by the County shall be returned to the bidders within fifteen (15) days after the award of the Contract.

The Contractor shall commence work within ten (10) days after approval of the Contract by the District Attorney of Contra Costa County.

The Board of Supervisors of the County of Contra Costa reserves the right to reject any or all bids.

Request for forms or information shall be addressed to Jos. W. Barkley, County Surveyor and Road Commissioner, Post Office Box 390, Room 235, Hall of Records, Martinez, California.

Proposals shall be filed with Walter T. Paasch, Clerk of the Board of Supervisors, Hall of Records, Martinez, California.

By order of the Board dated September 17, 1951.

W. T. PAASCH,
Clerk and ex-officio Clerk of the Board of Supervisors of the County of Contra Costa, State of California.
By M. A. SMITH,
Deputy Clerk

Quick Service, Good Food at Our Fountain Lunch

I'm Frank . . .

when I say I'm sure glad to have the boss back on the job: the boss — that's m' pretty wife and she had her appendix out a couple of weeks ago. Gosh, quicker than you could say "Orinda Hardware," she was up on her feet and back home.

It's a little disappointing, though, because I had hoped to have a formal presentation of the operation. You know, everyone likes to say "Have you seen my operation?" I was going to fix up one of the front windows at our Orinda Hardware and have an "appendix operation special sale." Wilma didn't think it was such a good idea, though.

It seems that, every time she starts to tell someone about her wonderful operation, they have already had theirs out and, either their appendix was bigger, or they had more stitches, or they were in the hospital longer.

One day, while getting the mail, she thought she had found a real listener in Jim Doyle at the Post Office; but, no! Jim immediately cleared his throat for a long oration and all work stopped at the Post Office as he told of the gory details. Why, people were even standing up on chairs, hoping to get a glimpse of "Exhibit A."

Poor Wilma, disappointed at not being able to tell her story, was barely able to make her way to the front door and back to Orinda Hardware — there were so many people crowding in to hear Jim's exciting tale.

Hoping to capitalize on the event, I tried to persuade Dr. Caygill to perform the operation with one of those wonderful Robeson kitchen knives that we sell. He wasn't very enthused, even when I explained they were made with stainless vanadium steel and treated with the special Robeson frozen heat process, which allows them to guarantee these knives to stay sharp for three years. "Nope," he said, "I'll have no part of your scheming ways." He knew I was going to let Wilma autograph these knives in the window of our store and sell them as souvenirs.

Well, I guess we'll just have to be content to keep selling them as the finest kitchen cutlery that money can buy and let it go at that.

While all this was going on, guess who was cooking the meals and doing the shopping? (Poor Pete — that's m'boy — says he never wants to see another bean as long as he lives). However, it gave me a good opportunity to operate one of those Presto pressure cookers we sell.

In fact, we carry about 6 models of Presto cookers and they sell from $13.45 up. Well, anyway, I only used one of those models (it's a good thing, too) and it was quite an experience. Say, does anyone know the name of a good plasterer? I need one that can patch a plaster ceiling mixed with beef stew.

Cooking was fun, but shopping was better yet. It seems I couldn't control that grocery cart very well and, while going against traffic in our local market, I was given a dressing down by the grocery clerks and also I heard some woman customer whisper "Oh, those men drivers!" Of course, when I got to the checking counter, I found I'd put the case of Blatz fruit juice on top of the eggs.

Well, I learned my lesson, and I proved to myself that I'd never make a good mother, and, when I say I'm glad the boss is home — well

. . . I'm Frank

Shower Honors Mrs. A. R. Meyer

Mrs. U. B. Smith of 26 Via Hermosa gave a luncheon and baby shower at her home September 13, honoring Mrs. A. R. Meyer. Thelma was completely surprised and delighted with the many lovely gifts. Those participating in the pleasant affair were Mesdames R. J. Magill, J. Almond, F. N. and W. E. Twining, Horace Breed, S. S. Hunn, A. Nelson, A. Brown, H. F. Gloy, E. H. Richard, D. M. Anderson, O. S. Jones, C. L. Friberg, W. S. Dean, E. Rahmeyer, P. M. Oakley, R. H. Usinger, W. Snow, P. A. Veitch, W. H. Thurston, H. Reiger, and C. W. Kersten.

Pool Folk Dance Program Sept. 29

A gay evening of folk dancing, with some square dancing, is planned by the Orinda Park Pool for tomorrow at 8 o'clock, with Bob Ross calling.

The usual potluck supper will precede the dancing. Those planning to attend are asked to call Laura Cooper at Orinda 2282, to arrange for bringing various dishes for the buffet. Coffee will be served by the pool.

Meet at Mott Home

Summer Parties For GI's End – There'll Be More

Orinda ended its summer entertaining of the boys from Camp Stoneman Hospital with a grand finale last Sunday when its "Operation Houseparty" was divided between the homes of the individual hosts and the beautiful Seven Oaks Circle estate of the T. M. Harrers on Sally Ann Lane.

The busload of boys, after fighting its way through Sunday's parade in Walnut Creek, arrived at the Crossroads. Waiting to greet them were Dr. and Mrs. R. M. Layne, Messrs. and Mesdames R. Diehl, R. Arrighi, R. B. Miner, J. E. Moriarty, C. Meurk and R. Murphy, and Dr. and Mrs. C. Cutting.

The soldiers were taken home, and, after having a mid-day meal wiht the family, were transported to the Harrer home, where the group was joined by Mesdames S. Gordon and V. Howard and the Misses Pat Moriarty, Beverly Branch, Ann Ward, Lois Galbraith, Carol Bargones, Pat Patton, Marilyn Orr, Sally Jordon, Barbara Goeppert, Sheila Theile and Sherrill Fitch.

Swimming, bowling, billiards and other facilities offered at Seven Oaks Circle, as well as the picnic supper which the hostesses had provided, were enjoyed.

Once again the boys claimed that this had been the "best ever" houseparty. While this ended the outdoor activities for the "Operation Houseparty" in Orinda for the summer, under the chairmanship of Mrs. Theodore F. Bradley, it does not mean the end of Orinda's participation in the program, as it will continue next month under the direction of Mrs. Karl Fitch.

Mrs. Bradley wishes to thank all those who so gracioiusly helped her during the three months the program has been in operation in Orinda, and urges anyone interested in participating during the coming months to contact Mrs. Fitch at Orinda 8201.

Christian Science Sermon – 'Reality'

In all Churches of Christ, Scientist, the subject of the Lesson-Sermon for Sunday, September 30, will be "Reality."

The Scriptural texts and their correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising the sermon, will include the following:

From the Bible:

"Blessed are the poor in spirit: for their's is the kingdom of heaven.

"Blessed are they which do hunger and thirst after righteousness: for they shall be filled.

"Blessed are the pure in heart: for they shall see God.

"Blessed are the peacemakers: for they shall be called the children of God" (Matthew 5:3, 6, 8, 9).

From Science and Health:

"There is but one way to heaven, harmony, and Christ in divine Science shows us this way. It is to know no other reality — to have no other consciousness of life — than good, God and His reflection, and to rise superior to the so-called pain and pleasure of the senses . . . Mere speculation or superstition appropriates no part of the divine vesture, while inspiration restores every part of the Christly garment of righteousness" (p. 242).

Orinda Women Take Vacation Trips

Two Orindans took advantage of their husbands' business trips to go off on an end-of-season vacation.

While Bill Wood was away his wife Betty, four-year-old son Jeff, and 17-month-old daughter Jeanie spent two weeks in Carmel visiting with Betty's mother. But while there Betty and the children encountered nothing but fog (which, incidentally, was the same time we were having some typical summer weather!)

Ruth Smith and her sister-in-law drove down to San Diego for a few days while Ruth's husband Gordon was in Rio Del Mar on business. They visited friends and all-in-all had a good time.

Frances Groves Thrills Audience At Song Recital

Frances Groves, daughter of Dr. and Mrs. Murray Groves of Camino Encinas, thrilled the audience at Orinda Community Church chapel last night with her singing.

Presented by her vocal teacher at College of the Pacific, Elizabeth Spelts, Miss Groves sang a variety of numbers in a manner which caused her listeners to feel that a brilliant musical career lies ahead of her.

Next step for her is her leaving soon for New York, where she will study under Paul Althouse, with whom a number of Metropolitan Opera Company stars have had their training.

Miss Groves was accompanied by Edward Perry. Her program included:

Ah! Mio Cor by Handel; Pergolesi's Se Tu M'ami, Se Sospiri; O del Mio Dolce Ardor by Gluck; When I Am Laid in Earth by Purcell; Traume by Wagner, O Kuhler Wald, O Liebliche Wangen and Die Mainacht by Brahms; Sin Tu Amor by Sandoval; Chanson Espagnole by Ravel; My Heart at Thy Sweet Voice by Saint-Saens; Somebody in Ancient April by Edward Perry; The Sleep That Flits on Baby's Eyes and I Am Like a Remnant of Autumn by Carpenter and The World Is Mine Tonight by Posford.

Miss Groves has sung at the special Easter and Christmas services held in the Orinda Theater and has taken part in operas and many musical affairs, when attending Chico State College and the College of Pacific, Stockton.

During her three years at C. O. P., from which she has just graduated, she sang with the Stockton Symphony and had a lead part in a number of operas and operettas. Her talent as a dramatic soprano was recognized by her audiences, by critics and by the press.

She attended the Orinda Grammar School, and for a time Acalanes, and later Berkeley High.

Camera Club Photos Models

The Contra Costa Camera Club had a meeting September 11 at Orinda Community Church.

Members interested in taking photographs had the opportunity to study and photograph a number of attractive girl models under various lightings.

Mothers Enjoy Membership Tea

The home and gardens of Mrs. Edwin Pike in Lafayette created the setting for the annual Membership Tea of the Orinda Nursery School Association on September 20.

Punch was served to the guests by Mrs. James Seaman, President of the Association; and as the day was warm, a large portion of the young mothers sipped theirs on the outside patio under the shade of magnificent old trees.

Hostessing the 140 invited guests along with Mrs. William Patterson, Director of the Nursery School, were Mrs. Henry Harris and Mrs. Richard Laney, Assistant Directors, as well as the new Board Members: the Mesdames Miles Sutliffe, James Van Sicklen, Wallace Riddell, Robert Bettencourt, Jack Buchter, P. K. Farrington, E. J. Unruh, Edwin Pike, Hugh Lowther, Paul Pollaczek, Charles Lohse, Robert Kleyn-Schoorel, Richard Kendall, Cecil Cutting, and Sam Schaaf.

Pledges Sigma Phi

Jim Jacobus, son of Mr. and Mrs. Melvin Jacobus of "Sol-Brae" in Orinda and a freshman student at the University of California, has just pledged Sigma Phi fraternity there.

In spite of today's inflated prices, your telephone remains one of the lowest-cost items in the family budget.
FRIENDLY HELPER TO FAMILY BUDGETS
Your telephone dollars go farther today than they did in 1940

1. The way prices have skyrocketed on most items you buy to run your home, you might expect your telephone rates would have gone along, too. For, just as your costs have soared on things your family needs, so have our costs of providing telephone service—wages, taxes and materials. Yet, despite this, the increases in telephone rates do not even cover our increased wage costs alone.

2. You buy telephone service for just one thing—to have a quick way to keep in touch with other people. Today, in most places, you can call about twice as many telephones without a toll charge as in 1940. When you compare just that one great increase in value with the small increase in telephone rates, you can see you pay much less for service today—in terms of what the telephone can do for you.
3. You have more telephone service—and better telephone service—today than ever. And the value you're getting for your telephone dollar is due, basically, to just one thing. Over the years your telephone system has had the financial strength to attract the investors' money needed to build equipment and develop telephone service to a highly efficient level. And with a financially strong system, the telephone can continue to grow in value and usefulness to you and all the nation.
Your telephone is one of today's best bargains
Price changes since 1940
FOOD UP 139%
COST OF LIVING UP 86%
AVERAGE TELEPHONE RATES UP ONLY 28%*
COST PER TELEPHONE YOU CAN CALL ACTUALLY LOWER THAN IN 1940†
*IN TERRITORY WE SERVE
† The cost of telephone service today has actually dropped in terms of the number of telephones a customer can call without toll charges. For, since 1940, telephones have doubled in most places.
Pacific Telephone

You'll find cooking's easier than ever...

—with a new automatic CP Gas range
Of all the modern appliances you may own, a new automatic *CP* Gas range will certainly make your life easier. With its many time-saving and work-saving features, you can prepare your family's meals faster and easier than you'd ever dream possible. WHAT A LOVELY FAMILY! The "Family Portrait" group is posing here just as it'll appear in Lafayette Playshop's "mellerdrammer" production at Town Hall, which opens tonight at 8:30, and will be repeated tomorrow night and the four Saturday nights of October. Left to right (not including the "baby") are Paul Hansen, Shirley Castro, George Van Meter and Zelda Robertson. The Playshop program consists of an old-fashioned melodrama, "Dirty Work Afoot," and an Olio.
— SUN Photo by Mattson

Will Hubert Save Rocita from Sawmill Saw? . . . Find Out, Hiss, Cheer Tonight

This is the last warning from Lafayette Playshop that there will be "Dirty Work Afoot" at Lafayette Town Hall tonight, tomorrow night and every Saturday night in October. Curtain time is 8:30.

Things will be looking mighty dark to heroine Rosita on these dates as she struggles against evil in the persons of Clarissa and Fagan, who wish to rob her of her money and her honor, respectively.

Will they be able to saw her in two and double-cross her in the sawmill? Or will Hubert the hero get there in time? If he does, will he be able to save her—he must touch her ankle to untie the ropes which hold her fast?

Be on hand to see what happens and to hiss the villains and cheer the hero.

THE CAST FOR THE melodrama includes Marylyn Hansen, Zelda Robertson, Leroy Sowers, Paul Hansen and Andrew Glimme of Lafayette. Shirley and Joe Castro and George Van Meter of Walnut Creek and Gloria Bording of Saranap.

Andrew Glimme has stepped in on very short notice to play Lorenzo Gonzales, father of heroine Rosita. The part was left by John Wahl, who was unable to continue in the cast, and members are more than grateful to the very capable Andrew for joining the cast of "Dirty Work Afoot" in its hour of need.

The Playshop has been unusually fortunate in having professional directors Louise and Dan Welty of Alamo for this production. The Weltys were with the First Theater of Monterey for seven years directing, producing and playing in "melos" and olios. They also played at Dugan's in Emeryville for a year and have been on numerous tours with their own companies.

IN ADDITION TO the feature, "Dirty Work Afoot," there is a completely hilarious olio of the songs, dances and costumes of a past era.

Adrienne Sowers singing "I Never Cried So Much" is something no one should miss. Also Pat van Barneveld, a Walnut Creek lass, sings "Don't Go in the Lion's Cage Tonight, Mother" in a manner never to be forgotten.

Refreshments will be available.

Need for Safety Precaution Shown By Auto Crashes

The Contra Costa Safety Council has received a report from the California Highway Patrol for this area that Contra Costa County's share of the national traffic disaster, which occurs annually on the Labor Day weekend, included one fatality this year.

This fatality resulted from a collision on September 2 on Borden Highway, about a mile south of Old River Bridge.

However, the Highway Patrol called the Safety Council's attention to the 32 injuries which resulted from 16 collisions in this same period.

President McIntosh of the Safety Council pointed out that only a saving circumstance prevented these 16 collisions from producing fatalities. McIntosh also spoke of the near-crashes that shook the nerves of many drivers.

"Safety Education is an answer to these crashes and near - crashes which the Safety Council is trying to supply," McIntosh stated. "We hope that these crashes may be avoided in the three remaining long weekends of this year."

Diablo Y's Men Hear Reports of Chairmen

Diablo Y's Men's Club met last night at Klee's Restaurant in Lafayette for dinner and a business session highlighted by reports of the chairmen.

Phil Cozad is Constitution chairman, with Harold Queen, Elroy Condeff and John Sholes on his committee. Program chairman is Wilbur Jacoby, who is assisted by Phil Solbjor and Bernie Wilber. Dave Comstock and John Bertch are on the nominating committee headed by Chairman Robert Lyon.

Fiesta Mexicana To Be Held in W. C. Tomorrow Night

The tempting aroma of Spanish foods, strumming of guitars and transformation of the estate of Mr. and Mrs. E. P. Sawyer on Orchard Lane into a Mexican garden and plaza will greet guests there tomorrow night.

Nearly 400 guests are anticipated at this "Fiesta Mexicana" which is a hospital benefit planned by Walnut Branch of the Children's Hospital of the East Bay. Mrs. Sandford Terry is general chairman of the affair.

Garlands of flowers, gourds, serapes and Mexican sombreros will be added to the gardens, while candlelight, strumming guitars and a pool laden with flower-filled gondolas will complete the "Fiesta" decor planned by Mrs. Ben C. Dykes and her decorations committee.

Mrs. Erwin Easton is in charge of the food arrangements which will provide revelers with a chuck-wagon supper starting at 6 p. m.

The tennis courts are being specially prepared for dancing and will be edged with Mexican souvenirs and other properties provided by Mrs. Jack Turman and her committee.

Mrs. William Malott and Mrs. J. Allen Madison are arranging for Spanish-American entertainment.

Mrs. William Anderson is in charge of invitations and reservations may be made by calling Mrs. Sawyer, Walnut Creek 4163, or Mrs. D. Charles Williams, Lafayette 4661.

TIRE CAUTION

Motorists from cool coastal areas are urged by the California State Automobile Association to drive cautiously through areas where high summer temperatures prevail. Heat generated within the tires through friction, plus summer heat and expansion of the air within the tire, may cause a tire to blow out unexpectedly.

Need Gray Ladies At Two Hospitals, Red Cross Says

Mt. Diablo Chapter of the American Red Cross announces that Gray Ladies are urgently needed for both Oak Knoll and Camp Stoneman Hospitals.

Women are needed to administer to the servicemen both in personal service, afternoon and evening recreation, and for craft work at Oak Knoll. There is a need for Gray Ladies who can play the piano and organize games and square dances. The training course will be held the second two weeks in October.

Personal service on the wards, afternoon and evening recreation, and organizing rides from Camp Stoneman is needed. Training for this camp will be held the latter part of November.

Monday, between 1:30 and 4 p.m., at the new chapter house at 1395 Ygnacio Avenue, Walnut Creek, will be the time given over to interviewing any woman interested.

Teeter To Talk To GOP Assembly Thursday Night

County Administrator D. M. Teeter will be guest speaker before the Contra Costa Republican Assembly next Thursday, 8 p.m., at Acalanes High School.

He will talk on "County Organization."

The public is invited to attend and to participate in the question-and-answer period which will follow Teeter's address, according to President J. B. Whitney.

BE SURE OF LANE

Therapy Center Drive Starts Monday

Mt. Diablo Therapy Center will begin its fund drive Monday to "enlarge the Center so more can enter."

Mrs. Ida Zamloch of Orinda announced today that representatives of the Center throughout the Mt. Diablo area will be in contact with communities in an effort to make it possible to bring in more physically handicapped people to the Center for treatment.

Anyone wishing to assist in the drive is asked to contact Mrs. Zamloch at the Mt. Diablo Therapy Center, Highland Medical Building in Walnut Creek, phone Walnut Creek 5937.

Your donation for membership may be made at the Center.

THE MT. DIABLO THERAPY Center was developed to meet a need arising out of the lack of facilities to treat children stricken with poliomyelitis during the 1949 epidemic.

However, as time passed, it was realized that children and adults suffering from other crippling diseases were also in need of the same facilities and services as those suffering from poliomyelitis.

Thus, in January, 1950, the original idea was expanded. The Center is now predicated to provide rehabilitation to all people who are physically handicapped.

Anyone, regardless of age or condition, is eligible to receive treatment at the Center providing they have consulted a doctor and have a prescription for treatment. Cost is based on ability to pay (no means test is applied): full pay, part pay and free services are provided, and equal consideration is given to all categories regardless of the amount paid for services.

THE BEST IN EQUIPMENT and professional personnel is available at the Center. Qualified physical and occupational therapists work with the latest equipment to provide quality care. Individual programs are built around each case to assure rapid rehabilitation.

The Center is a non-profit organization governed by a 15-member board of directors representing all school districts in Central Contra Costa County. A five-member medical advisory committee appointed by the Alameda-Contra Costa Medical Association reviews the activity of the Center and suggests recommendations as to how treatment and service should be carried out.

The administration and clinical operation is carried on by four paid employees—an executive director, a physical therapist, an occupational therapist and a secretary.

A group of volunteer aides assists in many ways, in order to reduce the cost of operation.

THE CENTER IS SUPPORTED mainly through individual gifts and donations, by the several auxiliaries affiliated with the Center and by community organizations. Since treatment is expensive due to the long periods of time involved in rehabilitation, fees derived from service are kept low.

In cases where patients are unable to reach the clinic by public transportation, transportation is often arranged through Red Cross and volunteer aides.

"Since the Center must rely in part on the community for support, you, as an individual or as a group, can assist by becoming a supporting member. Whether you give $1, $10 or $100, you will receive an annual membership card," Mrs. Zamloch stated.

Flash Camera, Camellia Free For SUN Subs

Garden lover? Camera enthusiast?

If you're one of these two, this is important news for you.

You can obtain a beautiful camellia plant or a Herco "Imperial" Flash Camera FREE!

The camellia plant, which will bear lovely flowers during the winter, is yours if you are not now a subscriber to the SUN and if you subscribe for one year.

Just turn in the filled-out coupon and the $3 for your new subscription at Orchard Nursery, midway between Orinda and Lafayette, or Briggs' Nursery on Mt. Diablo Boulevard, Walnut Creek, and you will receive your camellia.

As for that Flash Camera—you can get it in a flash, by obtaining two NEW one-year subscriptions to the SUN. Turn in the form and the $6 for the two subscriptions at the SUN office, and the camera is yours.

Ready to snap pictures, the Herco "Imperial" has a detachable flash unit, scientifically safety-

Motorcycle Trip To Canada and Back

Steve Lawrence and Bob Gorman, both June graduates of Acalanes High School, recently returned from a five-week journey by motorcycle which took them as far north as Winnipeg, Canada, and which has made them the envy of many a schoolmate.

They came down through Illinois and Indiana before crossing the country home again.

Steve is the son of Mr. and Mrs. Paul S. Lawrence of Walnut Creek, and Bob is the son of the Robert Gormans of Hidden Valley in Lafayette.

For nationally known brands at nationally established prices—shop right here at home.

Diamond K Sez . . .

THIS WEEK we are glad to announce that we are again able to fill orders for cement.

Many of you home owners have been waiting patiently all summer for cement, so now you may go ahead with your plans. At the same time we wish to thank all of our customers who have been so patient through this shortage.

DIAMOND K feels that we cannot say too much about drain tiles at this time of the year. Last year, through negligence of drainage problems, the heavy rains caused much damage which could have been avoided had people taken the proper precautions. This year we are "plugging" drain tile and drain rock because we feel it will save you both time and money to be prepared for the rainy season.

By the same token we ask you to survey your driveway needs. If the rains would start tomorrow, would your driveway and service yard be adequate? If not, drop into Diamond K and we will gladly offer suggestions on how to solve your problems.

Don't forget to order your firewood and Presto-logs now. We have plenty of well-seasoned black mountain oak fireplace wood in the yard now and your supply is as close as your telephone. Just call Lafayette 4477 and place your order now.

Don't be left in the cold.

Mrs. Mott Home From Michigan

Mrs. William Penn Mott, Jr., has returned from a 16-day trip with her mother, Mrs. Madge Barnes, via Vista Dome to their old home in Ithica, Michigan., to clear it out and get it ready for sale. There were many papers belonging to the late Judge Barnes, hundreds of books, furniture and furnishings and even old costumes to be discarded, auctioned or brought back home.

Mrs. Mott spent some happy hours visiting her old roommate of Michigan State College days, and by being feted by many of her old friends.

While in Michigan there were many thundershowers and hot humid spells.

On the return trip, their train was delayed two hours in Colorado by great washouts, but trains ahead had been delayed many hours more.

During Mrs. Mott's time east, Mr. Mott took Billy and Nancy on a camping trip lasting eight days. They stopped at the Big Sur camping grounds, at Morrow Bay, the home of the Motts when first married, and, on south, they called on friends and visited Knott's Berry Farm.

Their camping-out nights were spent in Sequoia National Park.

Now at C.O.P.

Shirley Daniels, a June graduate of Acalanes High School, is attending College of Pacific. Shirley, who was prominent in the modern dance group at Acalanes, is the daughter of Mr. and Mrs. Winfield J. Daniels of Orinda.

AT PINE RIDGE RANCH

Mr. and Mrs. Ed Donald and Mr. and Mrs. Bill Hughes spent a weekend as guests of Mr. and Mrs. Ray Butzbach at Pine Ridge Ranch in Redwood Valley.

LEGAL NOTICE

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Contra Costa, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Hall of Records, City of Martinez in said County, California, on Monday the 15th day of October, 1951, at the hour of 11 o'clock A. M. for the purchase of bonds of Orinda Union School District, of Contra Costa County, State of California, more particularly described below:

ISSUE: $77,000.00, consisting of 77 bonds of the denomination of $1,000.00 each, all dated November 15 1950.

INTEREST RATE: Maximum five (5) per cent per annum, payable semi-annually on November 15 and May 15 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially (without option of prior redemption) as follows:

Principal Amount	Maturity Dates November 15
$2,000.00	1952
$5,000.00	1953
$5,000.00	1954
$5,000.00	1955
$5,000.00	1956
$5,000.00	1957
$5,000.00	1958
$5,000.00	1959
$5,000.00	1960
$5,000.00	1961
$5,000.00	1962
$5,000.00	1963
$5,000.00	1964
$5,000.00	1965
$5,000.00	1966
$5,000.00	1967

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said School District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on July 25, 1950, and will be issued and sold for the purpose of raising money for authorized school purposes, under Section 7401, Education Code.

SECURITY: The bonds are general obligations of said School District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said School District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the the Bureau of Internal Revenue or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of the following firm approving the validity of said bonds, will be furnished to the successful bidder without charge: Orrick, Dahlquist, Neff and Herrington, San Francisco, California.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from Nov. 15, 1951 to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY: Delivrey of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be about December 1, 1951.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his opinion, to cancel the contract of purchase if the bonds are not tendered for delivery on or prior to December 14, 1951, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Orinda Union School District, of Contra Costa County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $3,850.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

OFFICIAL STATEMENT

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: September 17, 1951.

W. T. PAASCH
County Clerk and ex-officio Clerk of the Board of Supervisors of Contra Costa County, State of California.

By: M. A. SMITH
Deputy.

O-139, Or. Sun, Sept. 28, Oct. 5.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of H. V. Leavitt for a use permit.

Said application is to modify provisions of Section 4 Subdivision F Subsection 5 & 6 of the provisions of Ordinance 382 as hereafter set forth, namely: to have 20 foot set back and 14 foot side yards.

Property is located on the following maps which appear as Subsections 24 of Section 3 of Ordinance 382.

Brief description of property: That parcel of land being Lot 200, Sleepy Hollow, Unit No. 3. Said parcel fronts approximately 205 feet on the north east side of Sleepy Hollow Lane, approximately 150 feet west of Lombardy Lane.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, October 9, 1951, 7:30 p. m.

G. F. McCORMICK, Secretary
Contra Costa County
Planning Commission

At Huntington Lake

Mr. and Mrs. Richard Hafner, with their daughter and her husband, Mary Fran and Philip Emery, spent the Labor Day weekend at the cabin of the Charles Burrows Emerys on Huntington Lake. All enjoyed the hikes, fishing and dashing around the lake in the Emerys' speed boat.

On their return the Hafners left the bumper-to-bumper traffic at Tracy, and, by back roads known by Dick, they reached home safely and hours ahead of those who stayed on the crowded main highways.

Your Garden

To Fertilize or Not? Answer Depends On Plants You Grow Soil's Condition

By BERT WRIGHT

FOR FALL FERTILIZING — check conditions first, then decide pro or con.

Whether to fertilize or not in the autumn depends somewhat on the plants you grow and the soil you deal with. If you are preparing a garden or bed for spring planting, it is wiser not to apply fertilizers, particularly chemical (inorganic) ones, largely because potassium might leach away in the drainage waters.

On the other hand, if your soil has had large quantities of manure or other organic material, these may be applied, since they will remain nearly intact until spring when higher temperatures will cause the breakdown of the organic matter, release of these elements of plant food. If you are able to secure tankage, cottonseed meal or soybean meal, apply them now.

IN THE CASE OF ROSES, perennials and other comparatively shallow-rooted plants, the fall application of fertilizers is rather questionable, since nothing is gained and damage may occur during warm spells when absorption of these materials may take place by the roots, and growth may develop only to be frozen later.

As for trees, the best time for fertilizer applications depends on two factors — temperature and moisture.

Although spring has been the period for applying fertilizers, more recent recommendations based on our own work and others favor fall.

THIS IS BECAUSE soil activity and root growth continue until late in fall; hence fertilizer will be absorbed to a considerable extent, and little will be lost by leaching.

Furthermore, if the application is made correctly there is little stimulation of top growth which might be injured over winter.

Wait until fall rains moisten the soil thoroughly. Early October or now is best; in fact, it may be better than spring for trees, since temperature and moisture may be more favorable. In early spring, when tree fertilization should take place, the soils may be too cold and moist for the best effect.

WHAT FERTILIZER to apply in the fall is debatable. Fruit men claim that complete fertilizers are wasteful and only nitrogen-bearing kinds should be used.

That is true when surface applications are made, but for ornamental trees complete fertilizers are desirable providing the punch bar method or some such scheme which gets the materials down near the roots is used. Usually 12-6-4 or 10-6-4 are the best formulas.

RATE OF APPLICATION is based on the caliper of the tree. For trees less than six inches in diameter, use one pound of available nitrogen per each inch in diameter of the tree trunk; large trees, one-half pound of nitrogen for each inch.

Broadcast fertilizer only for small trees, and even then it should be hoed in deeply and watered. Fertilize narrow-leafed evergreens, broad-leaved evergreen deciduous shrubs, and roses in the spring.

IN GENERAL, the chief reason for fall application is to save time. Spring is a busy time and fertilization may be neglected. Still, except for deciduous trees, spring fertilization is preferable.

Le Roy Clough of Concord asks — When, how, and how often should a lawn be fertilized?

Fall applications should take place in October. Spring application in March and again in the summer as particular conditions warrant it.

Lawns should be prepared now for the biting frosts that lie ahead. If you send your lawn in to the winter months well fed and in good healthy condition, it will certainly survive much better than a starved-out lawn.

Orchard Nursery Awards Include $1000 in Prizes

Lafayette's Orchard Nursery, owned by Jack Schneider and Stewart Wade, won $1000 in prizes, three sweepstakes awards and numerous ribbons for floricultural and horticultural exhibits at the California State Fair, it was announced following receipt of complete fair reports by Iona Booth, manager of the Contra Costa County Development Association.

With Schneider in charge, Orchard Nursery entered general exhibits in the floriculture show and also provided for the Contra Costa County booth.

Highest achievement of the Lafayette exhibitors was winning a first place sweepstakes tie with Alameda county for ornamental plants, which brought a trophy award.

Other awards include:

Second place sweepstakes for cut flowers; third place sweepstakes for best display of horticultural products; 10 ribbons for ornamental plants; and 12 ribbons for cut flowers.

"We are gratified that we were able to establish Contra Costa County before the state as an important floricultural center" Schneider said in being informed of the awards. "We are particularly delighted that we were able to bring Contra Costa to the fore with a first place sweepstakes tie with Alameda in a division in which it has excelled for so long."

For nationally known brands at nationally established prices—shop right here at home.

SHOWING OFF

Gasoline can be saved and tire and engine life prolonged by avoiding unnecessarily rapid acceleration. Automobile designers have provided fast pick-up and get-away as a safety measure but there is no point gained in trying to show off by wasting gasoline, tires and brake lining at every stop and start.

Children's Art Exhibit Popular At W. C. Festival

One of the outstanding features of the Walnut Festival was the spectacular children's art exhibit sponsored by the Cooperative Art Association.

This is the same group that supplements the regular school program with special art classes for gifted children in Lafayette and Walnut Creek.

Youngsters from every community in this section of Contra Costa County contributed to the display at the Festival, and it was as popular as the adult art section, with spectators of all ages.

Budding artists from Lafayette included Katherine Trembath, Milton Jennings, Allison Plant, Joan Wilbur, Sandy Planz, Joyce Dawson, June Hoedel, Scott Adair, Tad Curtis, Patricia Barrows, Kristi Kennedy, Sandy Fry, Nancy Waldman, Marilyn Jamison, Robert Antz, Sarah Fossati, Byron Alton and others.

Those from Walnut Creek included Diane Leidy, Ann Howard, Dan Gelder, Dick Overstreet, Richard Olness, Dona White, Judy Knowlton, Stuart Garbutt, Wendy Adiall, Richard Schutt, Janey Berry, Tom La Perle, Mary Lou Leeman, Nancy Soares, Nancy Frick, Nancy Backus, Paul Nave, Robert Klass, Ellen Benson, Pete Parker, Marlene Carlyle, Eladie Van Ogtrop, Frank Jones, Diane Bertch, Donna Bishop, Bobby Cleveland and others.

Next regular meeting of the Cooperative Art Association, as announced by the new president, Mrs. C. Robert Antz, will be held at 10:30 a.m. October 9 at the home of Mrs. DeWitt Kruger, 121 Arlene Drive, Walnut Creek.

Mrs. Peter Howard will speak on children's art. Anyone interested in this worthwhile community project is invited to attend.

Out of the Dog House

National Dog Week, Now On, Points Up Objectives of Better Care of Canines

By LYN McKEE

VIC GNAWED MEDITATIVELY on the biggest, juiciest bone he'd had in a dog's age and eyed his collie pal, Lady, who was sporting a new collar.

Curiosity got the better of him. He stopped eating long enough to inquire, "How come we're getting so much special attention, Lady? It isn't Christmas, is it?"

Lady stretched herself and answered with a superior woof, "You're not very well informed, are you? It happens to be National Dog Week." And sure enough, it is.

The special objectives this year, as announced by Ezio Pinza, general chairman for 1951, are: (1) Every dog trained in obedience, guard or other useful work; (2) proper care and feeding of dogs; (3) no stray dogs.

I was talking this over with a fine Labrador Retriever named Smokey the other day.

"Huh!" said he, with a morose shake of his head. "I take a dim view of it all, myself. You know what National Dog Week means to me? Less to eat. My mistress took a better look at me this week than she has in a long time, and decided to put me on a diet."

Smokey is owned by John and Mary O'Malley and their young son, nine-month-old Davy, who have recently moved from El Cerrito to a new Orinda home, up Glorietta way.

ALSO ON THE MOVE are the Ben Gladings, who have sold their home on Echo Springs Road. They are staying, temporarily, in a hill-top cabin up above the house until they set out for Sacramento.

Their dog family has been cut down to two young spaniels, who bear the proud titles of "house dog." That's sort of fun, says Char Glading—a change from keeping all kennel dogs, with the exception of the oldest, who would have to be kept in to prevent the rheumatiz.

Speaking of the Gladings, here's a merry tale. One day, four-year-old Sally Glading was taken to visit her daddy in his professional surroundings. Bureau Chief of Fish and Game Conservation Glading lounged in his office chair, chatted with Sally, answered the telephone briefly, stretched, and chatted some more.

Evidently Sally had expected to see a terribly busy executive in action. The picture wasn't quite right. She shrilled, "Daddy, just what do you do here?" much to the amusement of all subordinates within earshot.

THERE'S DIGGING a-plenty going on up at Waiterock Ranch.

Juanita has called in the bulldozers to move a hill, making more room all around her kennels and converting a useless ravine into a large, level, shaded area which will be used for dogs, both her own and those boarded there, all of whom receive the special Waiterock care.

Diablo Dog Club Monday, it was Diablo Dog Club Monday it was unanimously decided to extend membership invitations to Mary Mitchell of Walnut Creek, who owns a Dobie, and to Lucille and Dick Otto of Saranap, who own a boxer.

The much discussed and cussed Dog Ordinance has again been sent back to the legal eagles for adjustment. It seems that it still contains sections which are unconstitutional.

Dog clubs and kennel owners dog-tired of this business but still dogged in determination, are waiting patiently to get their teeth into the new revision.

Doctors Aid in Disease Control

The part practicing physicians play in assisting in the control of communicable diseases is stressed by the County Health Department.

Reporting of these diseases helps the county office check on any unusual rise in the prevalance rate of diseases which are either common or uncommon to this area, and provides local material for study.

Part of a network to guard against a sneak attack of biological warfare, the practicing physicians' role cannot be overemphasized, health officials stress.
